- I. We are a Baptist church.
- II. We believe the Bible is the inspired Word of God.
- III. Our purpose as a church is to present the Gospel of Jesus Christ and baptize believers.

- All men, women, and children are sinners (ROM 3:10).
- The penalty for our sin is death and eternity in hell (ROM 6:23).
- Jesus Christ died to pay the penalty for our sins (ROM 5:8).
- All who will call upon the name of the Lord Jesus, in faith, trusting Him to be saved, will be saved (ROM 10:13).

We give everyone who makes a profession of faith in Christ an opportunity to be baptized as is found in Acts 2:38-41. The act of baptism does not save a child, teen, or an adult and make them a Christian. Baptism is simply a public testimony of the individual's earlier profession of faith. Baptism consists of the Pastor, Assistant Pastor, or a delegated church volunteer lowering the child in the water, until he/she is fully submerged into a pool or a tank of water, and then immediately raising the child again to the surface. Parents are encouraged to attend the baptism of their child/teenager. We also recognize our responsibility to teach every child, teen, and adult what God's Word has to say about every issue of life and that the Bible is to be obeyed.

**I UNDERSTAND AND HEREBY AGREE TO ASSUME ALL OF THE RISKS WHICH MAY BE ENCOUNTERED ON SAID ACTIVITIES PRELIMINARY AND SUBSEQUENT THERETO.** I do hereby agree to hold Pacific Baptist Church and it's agents, employees and volunteers harmless from any and all liability, actions, causes of actions, claims expenses, and damages on account of injury to my child (ren), teen(s), or property (ies), even injury resulting in death, which I, or they may now have or which may arise at anytime in the future, in connection with participation in the described activity or any other associated activities of the PBC and its varied ministries!

MY CHILD(REN) and or TEEN(s), has my permission to ride in the bus, van, or a volunteer's car to the Pacific Baptist Church and participate in the various church activities (this would include Bible Teaching & Baptism). I recognize that church services and activities at the PBC are held on Sunday morning, afternoon, and evening as well as on Thursday evenings. I also realize that often other activities, especially on Friday evenings and Saturdays are held at the church, or with the church.
